Check the Status of Your Tax Return

After you have completed tax return, you may check the status of your refund by visiting irs.gov.

When to check:

- 24 hours after e-filing
- 4 weeks after you mail your paper return

What you will need:

- Your social security number or ITIN
- Filing status (single, married, head of household, etc.)
- The exact dollar amount of your federal refund

How to check:

- Go to irs.gov.
- Click on the box marked “Get Your Refund Status” on the left-hand side.
