WHAT YOU SUPPORT

WAREHOUSE

The End Hunger Warehouse supplies food and resources to 71 Partner feeding organizations throughout Southern Maryland, including food pantries and HeartFelt Backpacks.

In 2022, End Hunger distributed nearly 2 MILLION pounds of food, household goods and resources to thousands who were struggling financially.

CULINARY TRAINING

The Culinary Program of End Hunger equips individuals with learning differences (including disabilities) with the National Restaurant ServSafe Food Handler Certification and job readiness skills.

The FREE ten-week program provides training on the culinary fundamentals and soft skills needed to gain independence and gainful employment.

END HUNGER MONTH

The Maryland State Senate and Calvert County Board of Commissioners officially declared October as End Hunger In Calvert County Month.

During October, we host a county-wide food drive. This is one way local businesses and families can be involved in restocking our Partner Food Pantry shelves.

OUR EVENT

End Hunger's Golf Classic is an important fundraising event that allows End Hunger to expand its reach. The Golf Classic gives an exclusive golf experience at Cedar Point Golf Club. Golfers will spend the day on a beautiful course along the Patuxent River, all for a good cause.
